Foreword

Time is a never ending cycle. It offers many opportunities and to those who gain acquaintance with these occasions it opens unlimited horizons.

An enormous span of time has elapsed since we first began our education twelve years ago. We have, with the watchful eye of God and the steadfast guidance of our teachers and administrators, competed in the trials of life, finding today that we have really only begun.

As we leave the halls of James Wood, and venture into today's world with its complexity of problems, we look back with nostalgic fondness upon our high school days.

Time has been overwhelmingly generous to us; for though we may never relive these days, they hold a score of memories which time cannot erase. We will ever remember the scenes which were enacted here and the situations that provided their background.

It is with anxious yet eager concern that we look to our future including the many opportunities opening to us. Our desire is that our experiences and achievements will ever remain a part of James Wood.

And so we present to you our 1963 Woodbine. May you cherish it with the strong sentiment that we hold for the events contributing to its publication.

Dedication

In appreciation for your many years of unselfish service to the students of James Wood High School, we, the class of '63, wish to express our thanks to you, MRS REBECCA WHITLOCK, by dedicating this, our 1963 WOODBINE to you.

Mrs. Whitlock through her dedication and devotion shows unceasing interest in her work, school, and the youth of the county. She is always willing to give help and advice freely, in order that each one of us might get the best education possible. In this sincere way we "thank you".

Alma Mater

By the City that he founded,
Heart of Frederick lands,
James Wood High, our Alma Mater,
In her beauty stands.
From five schools of age and service,
came her history.
Now we all give full devotion,
James Wood, Hail to thee.

Days with James Wood ne'er are over
For with school days through,
As alumnae we will ever
Keep her service true.

Be our years but few or many,
fraught with joy or woe,
We will sing to James Wood praises,
Wheresoe'er we go.

Tho for future we are planning
lives of useful joy,
Memories of youth are longest
May they never cloy.
Onward ever! be the watchword
conquer and prevail,
Hail to thee, dear James Wood High School!
Hail to thee! All Hail!

In Memoriam

William Edward Guthridge

We, the Seniors of 1963, wish to express our deep sorrow at the loss of one of our classmates. To us Edward Guthridge was more than just a classmate and friend. He was a person whom we all loved and respected.

Eddie's sense of humor and sparkling personality made him an asset to his class and school. His absence forms a vacancy which cannot easily be filled and the memory of our friend will be an inspiration to us throughout our Senior year.

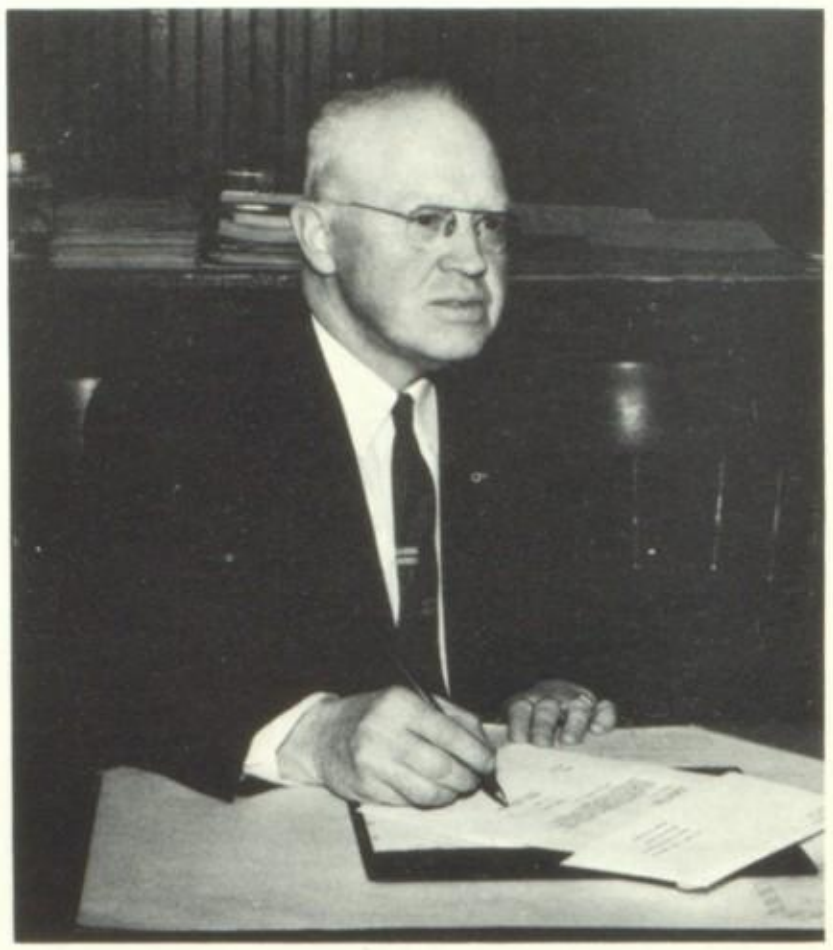
Faculty And

Curriculum

Through the efforts of the faculty and administration we have been taught a wide range of interesting subjects. They have guided us during the past four years through the fields of English, social studies, science, business education, physical education, and many others. Now we graduate, and go out on our own, doing so confidently, for we know that we have knowledge built on the solid foundation of a modern educational curriculum. This knowledge prepares us for many fields and we are indebted to the faculty for their efforts in our behalf.

County Administration

Mr. Melton Wright is the Directory of Instruction in Frederick County. He works with the teachers and principals to improve the quality of instruction in our schools. He selects new textbooks, plans workshops and extension classes for teachers, and investigates new ideas and techniques in education.



Mr. Robert Aylor, Superintendent of Frederick County Schools, is well-known among the students and faculty of our school. He visits our schools to meet with the school administration, gives advice, and helps in any other way possible. He is also in charge of maintenance and transportation.

Throughout the county the School Board offers guidance and direction to the administration and operation of schools. The Board Members discuss ways and means of operating schools and establishing school policies during their monthly meetings.

LEFT TO RIGHT: Mr. Clyde Logan, Mr. Robert Muse, Mr. Charles Bass, Mrs. Elizabeth Sheetz, Mr. Huyett Light, and Mr. Fred Whitacre.

Our School Executives

Mr. Gordon reviews and approves the Woodbine layout book.

Our Principal, Mr. James C. Gordon, needs no introduction to the students. He participates in many school activities by co-sponsoring the BETA club. Mr. Gordon is one of our most enthusiastic supporters at all of our sports events.

Whenever a helping hand is needed, Mr. Gordon's office is always open for advice. By his own interests in the school, he creates the same enthusiasm among the faculty and student body.

Miss Lucy Painter, standing, and Mrs. Edith McCaul, seated, are our school secretaries. Miss Painter is the school bookkeeper and also types, duplicates, and answers the telephone. Mrs. McCaul is responsible for such duties as typing, duplicating, and answering the telephone. Through their co-operation and friendly understanding our school days are made more pleasant.

Miss Painter and Mrs. McCaul begin their day's work in the school office.

Mr. Fawcett checks one of the teacher's monthly reports.

Mr. Melvin D. Fawcett, the assistant principal, is another well-known person seen frequently in our school.

Besides teaching world geography, he issues absentee cards and takes over in the absence of our principal. Mr. Fawcett is always willing to help in any way he can.

Guidance Toward the Future

Mrs. Edna Fetter is kept busy checking over the Scat tests.

Mr. Reco Ware and Miss Ethel Patch work in the Guidance Office helping to prepare the students' permanent records.

Mr. George Turner, Guidance Counselor, discusses some college possibilities with Patsy and Judy Whetzel.

Guidance services, as applied to James Wood High School, should be thought of as organized activities designed to give systematic aid to pupils in solving their problems and in making adjustments to various situations which they must meet.

Also working in the guidance room are Mrs. Hovermale, Mrs. Kave, Miss Patch, and Mr. Ware. These persons are striving to make a well organized and efficient Guidance Department.

Learning Through English

Mrs. Brumback helps Betty Richards with her spelling words and definitions.

The basic aim of education in our democratic society is to teach the student to think for himself. In the two way process of communication, he must assimilate, weigh, and understand the ideas of others.

Parents, administrators, and teachers agree that there is no subject more vital to the student's thinking process than English composition, the study of communication through language. Merely to live in a complex modern world makes the power to communicate of utmost importance.

Mrs. Hovermale points out some errors in composition to a group of her senior students.

Every student is required to take English throughout the five years of high school. Besides providing an excellent foundation for college work, this enables us to better understand and appreciate our American heritage.

Distributive Education entered its 12th year as a part of the total vocational program at James Wood. The enrollment this year was 41 students working in 18 different businesses in Winchester and Frederick County. Students have an opportunity to learn good grooming, how to apply for a job, selling, advertising, display, store operation, and economics. Merchandise information and standards, grades and labels are also part of this program.

With this background, they are then able to apply this material on the job. During the year there were three D. E. sections; one DE II and 2 DE I classes. A student has an opportunity to take 2 years of DE. Requirements are that they should be 16 years of age, a junior or senior in high school, and have a "C" average.

Mr. Biddle tries a DE jacket on Billy Aylor while other students look on.

There are three areas of classroom study: Directly Related Study, which teaches the skill of your chosen occupation; Indirectly Related Study, which teaches the application of science, math, physics, chemistry, blueprint reading etc.; and Generally Related Study, which teaches students how to apply for jobs, hold jobs, budget their money, learn to study, and learn why they act as they do.

The following fields are offered this year: auto mechanics, production mechanics, maintenance mechanics, machinist, brick masonry, carpentry, cabinet-making, draftsman, electrician, physical therapist's-aid, veterinary-aid, police work, and laboratory technician.

Individual instruction by Mr. Workman, coordinator, is a necessary part of the curriculum offered in I.C.T.

Music, the Universal Language

Mrs. Cook works with her students.

Music is everyone's language. When students play or sing a song, probably they are unable to tell the nationality, the color, the religion, or the politics of the man who wrote it. Music is a thing of beauty, which extends into every land and nation. Music is universal.

Music is all encompassing. It knocks at the door of each life. Students find in it satisfaction . . . joy . . . sorrow . . . comfort . . . every emotion that lives within the human soul. Music is a meaningful part of life itself.

Senior Class

Of 1963

For the Seniors time at James Wood has held many memorable moments. The hours spent here during the past four years have provided experiences that we shall remember always.

We realize that we must cherish our knowledge, for the coming days will prove the great need for the things we have learned at James Wood.

Life holds memories big and small, but our school days are best of all.

Senior Sponsors

We, the Class of 1963, extend to these two fine sponsors our deepest appreciation and thanks for their help and guidance throughout our high school years.

Mrs. Phyliss Shull, whose reassuring smile has encouraged us many times, has made a great impression upon us. Through her physical education classes many of us have seen her as a teacher setting a good example for others to follow. She was always there when needed, ready to lend a helping hand.

Mr. Joseph Fishel—to you we extend heartfelt thanks for the many burdens you have carried. Without you many of our undertakings would have been unsuccessful and unenjoyable. Though few of us seniors had the pleasure of being in your classes, we have grown to known and love you as a wonderful friend and advisor.

The arrival of our rings brings cheers from all seniors.

Who's Who for 1963

BEST ALL AROUND: Sharon Williams and Roger Milburn.

In a senior class of 182 students, it is very difficult to choose the personalities who are most outstanding. In each of the twelve categories there were a number of classmates who demonstrated notable traits and deserved special recognition.

Since it was impossible to give credit to each of these students, the entire class selected the persons who would receive these honors.

We would like to congratulate our classmates who were chosen for Who's Who and wish them great success in the future.

BEST LEADERS: Donald Strosnider and Sharon Cather.

Senior Bests

BEST STUDENTS: Carol Ballenger and Marvin Carper.

MOST LIKELY TO SUCCEED: Katharine Kurstedt and Ronnie Hartman.

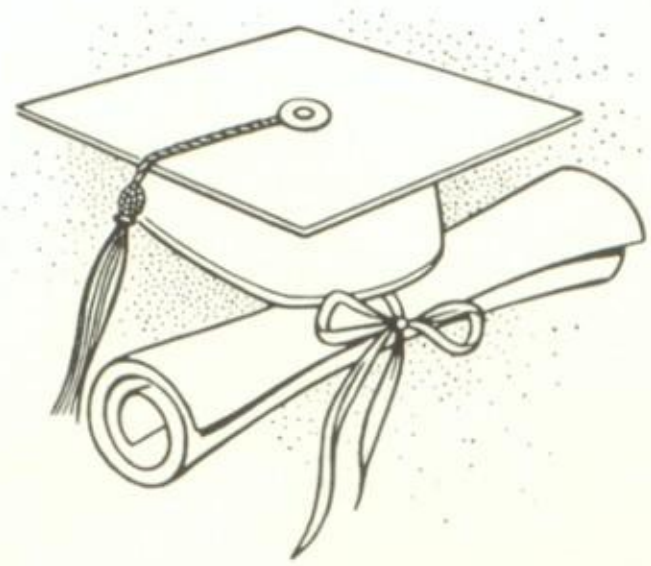
Are Chosen

MOST POPULAR: Diana Robertson and Kenny Ashby.

BEST LOOKING: Scotty Dyke and Linda Long.

From Many Candidates

WITTIEST: Berthelda Shackelford and John Lodge.



CLASS FLIRTS: Clinton Ritter and Judy Clowser.

FRIENDLIEST: Sandy Russell and Billy Aylor.

Were Our Choices Taken

BEST DRESSED: Mike Quynn and Sue Eyles.

MOST TALENTED: Karen Colley and Jerry Golliday.

MOST ATHLETIC: Ronnie Kern and Myra Pingley.

Underclassmen

Time marches on and today's Seniors leave our beloved school to the undergraduates. We wish them the best possible success in the future, and hope they will be as happy among these surroundings as we have been.

As time unfolds its pages, may they find the knowledge and experience that will make them the active citizens and good countrymen that our nation needs.

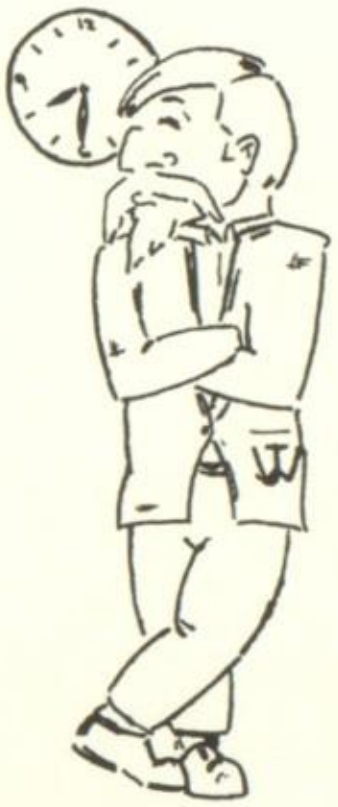
Clubs and

Activities



Our years at James Wood have taught us many things. We have grown not only mentally, but also socially, emotionally, and spiritually.

The experience gained through the clubs of our school have helped us: develop leadership, learn to cooperate with others, and to cope with our problems.

Through our clubs we have accomplished many of our goals, and learned to know the challenge of defeat as well as the joy of victory.

Student Co-operative Association

The Student Co-operative Association was organized for all the students of James Wood, and its projects are designed to benefit as many of these students as possible. Important annual projects are: the used book sale, three student get-acquainted parties, the presentation of a special assembly of general interest, and the publishing of an honor roll at each report period. Our Student Co-operative Association sponsored the construction of a set of concrete bleachers for the football field, and operated a snack bar at home games in order to finance this worthwhile endeavor.

Our S.C.A. year was highlighted by the Christmas Dance. The ticket salesman is shown here as she presented tickets to early arrivers at the dance.

Since the refreshment line is always a popular one, it is no wonder that we find this area flooded with party goers.

Naturally the band was the hit of the evening, and their appearance was a great asset to the spirit of the season.

James Wood is proud of her teams and lets them know it through the efforts of the Pep Club. This year the club held a Pep Assembly, decorated the goal posts for all home games, made and displayed posters to boost school support, and sold mums for the James Wood-Handley game. The club's main project was the sponsoring of the homecoming activities, the pep rally, and the selection and crowning of the queen.

Judy Ailes and Kathy Woolf are busily decorating the Pep Club bulletin board to help boost the school spirit.

During a Pep Assembly Lyn Marks and Dixie Branner illustrate what happens when you have a Colonel on your team.

A full 300 crowd supported the second SCA dance.

All three parties were counted a success.

Woodbine Staff

Mr. Biddle, advisor explains the details of the book to Carol Ballenger and Judy Phelps, co-editors for this term.

Kathy Woolf, Judy Ailes, and Karen Colley find that there are many clubs and activities around the school as they complete their section.

Through many long hours of work, this year's Woodbine staff has composed what they feel is one of the best productions in the entire history of James Wood. Working one hour each day of the school week the staff has composed a book in which every student can take pride.

Members of the Woodbine staff completed this book with the hope that each reader will become aware of the many phases of his high school career, and learn to feel that he is more a part of his school.

The sports section is a very essential part of our book say Mike Fletcher and Barbara Robinson.

Judy Whetzel, Patsy Whetzel, and Wanda Braithwaite note the increase of the faculty and student body this year.

Woodbine Staff

Philip Haymaker, BUSINESS MANAGER, is busy at the typewriter.

Mary Miller and Dixie Bean are discussing material to be used in a section of the yearbook.

With knowledge obtained in several summer workshops at the school the members of the staff, consisting of 15 Juniors and Seniors, have worked together to turn out an excellent book.

Several members also attended a workshop at the George Washington Hotel after school began. This workshop was sponsored by the Intercollegiate Press and provided us with several new ideas.

Several girls are discussing new ideas for the yearbook.

Georgia Carbaugh and Sue Rogers are working on mats to be used in the "Woodbine".

A national organization that develops rural leadership, cooperation and citizenship among its members is the Future Farmers of America.

In the development of leadership, all members served on a committee, studied, and practiced parliamentary procedure. Our members conducted well-planned monthly meetings, put on radio programs, and sponsored an FFA-FHA Father-Son-Mother-Daughter Banquet.

"Keep Virginia Green Crews" were formed in each magisterial district to cooperate with the Forestry Service in prevention of forest fires and planting of tree seedlings. In our well equipped shop, members can repair their farm machinery. This chapter helps with the County Agriculture Fair, sponsors a Pure Bred Swine chain project, and a food basket collection at Christmas for needy families.

Our members take care of the school lawn and shrubbery. The chapter participated in many judging contests this year within our Federation.

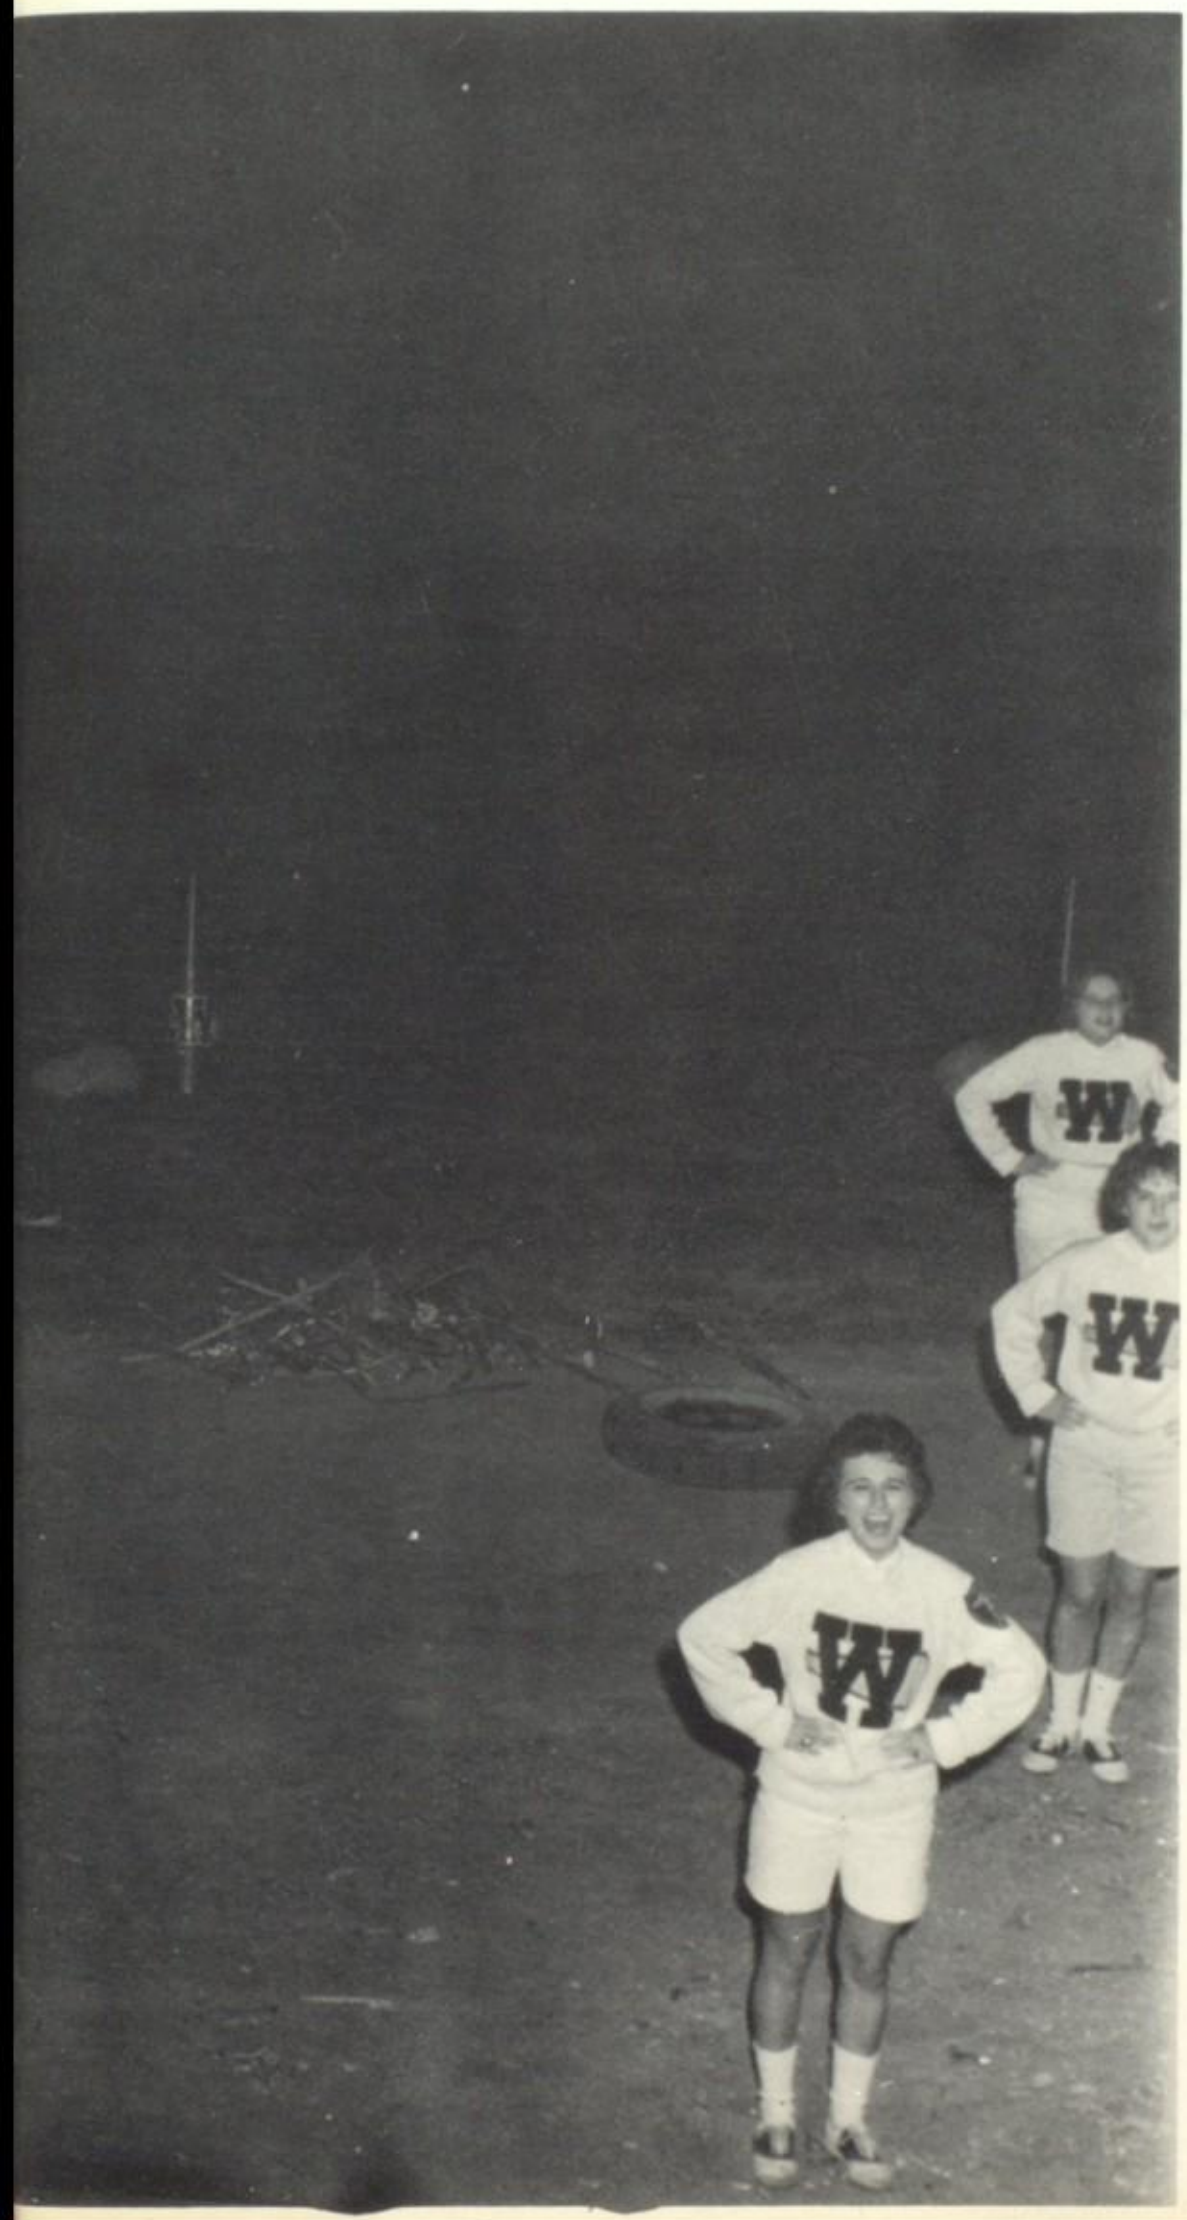
Sports



James Wood is proud of her athletic teams. Over the years we have watched our boys develop skill, grow in knowledge, and gain honor from all who see them.

Whether on the gridiron, the basketball court, or track we have seen the great progress they have made. Their sportsmanship has won them the hardest victory of all — that of honor.

Through their progress and their fairness we can say, "We've got a team, nobody's prouder!"

FIRST ROW, Left to Right: Roger Milburn, Horace Orndorff, Jack Wilfong, Kenny Ashby, Danny Kelchner, Scott Dyke, Richard Lockhart. SECOND ROW: Tommy Sullivan, Kenny Funk, Terry Bowers, Scott McRoberts, Gerald Triplett, Gary Jenkings, Sonny Hawkins. THIRD ROW: Ray McKee, Randolph Wingfield, Bryan Bucher, Dale Rowe, Rickie Seabright, George Goode, Beverly Goode. FOURTH ROW: Managers: Ronnie Stover, James Golliday, Gary Lee.

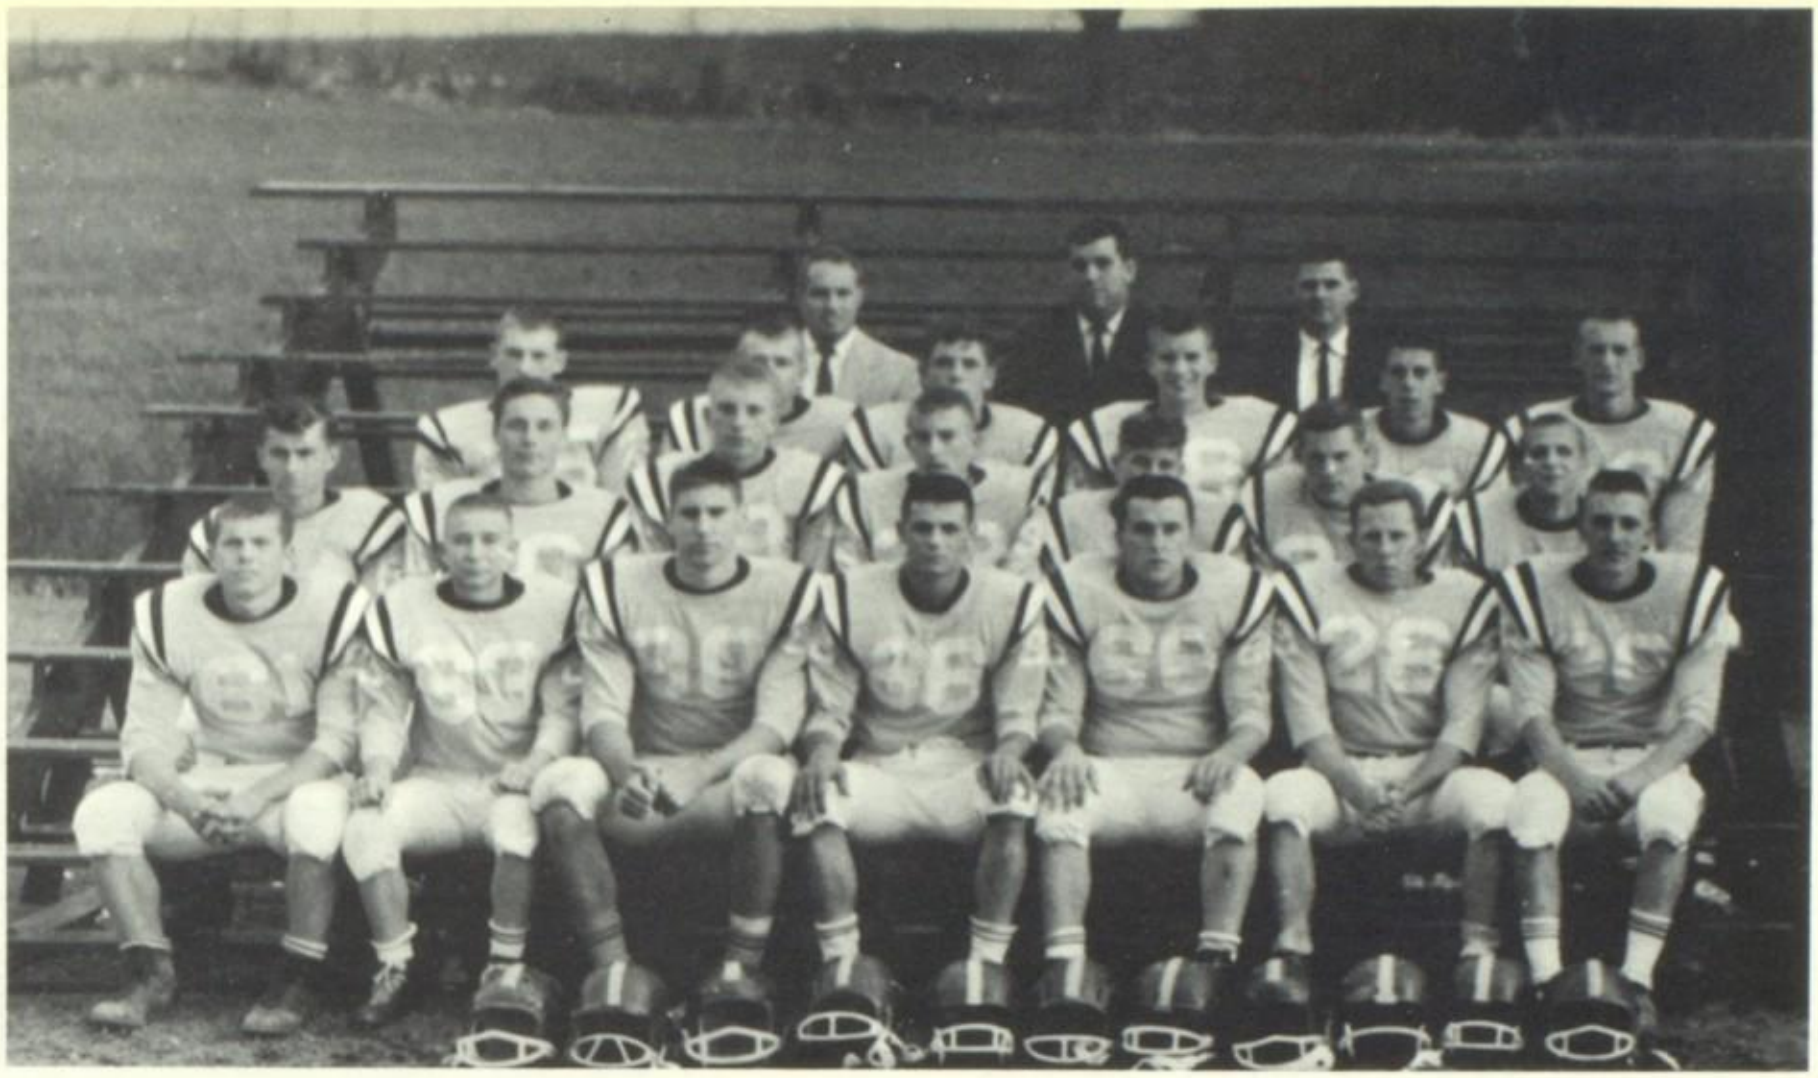
Coaches Walter Barr and George Walters.

Varsity

The unlucky number thirteen seemed to leave the James Wood Colonels hardly affected as Coach Jim Casey led his team to an overall record of 4-6 and a league record of 1-3 in their thirteenth year of football competition.

Although the Colonels did not have a winning season this year, their sportsmanship and sense of fair play continued to increase.

Toward the end of the season as Coach Jim Casey was taken ill, Coaches Walters and Barr did a marvelous job in managing the team in his absence.



FIRST ROW: Ronnie Foreman, Tommy Baggerly, Chris Ward, Charles Edmonds, David Goode, Eddie Hillyard, Gary L. Luttrell. SECOND ROW: William Sager, Larry Griffith, Tommy Kipps, Ronnie Cook, Danny Crabill, Boyd Unger. THIRD ROW: Leonard Williamson, Robert Orndorff, Chuck Marks, Roy Hockman, Steve Vann, Richard Allison. FOURTH ROW: Coach Casey, Coach Walters, Coach Barr.

Gridmen

We are sure that the boys greatly appreciated the large number of students which turned out to cheer them on even in times of great cold and against overwhelming odds.

As in past years, Mr. Manuel has supported the Colonels in all of their activities; but this year he did so in the new position of Athletic Director.

One of the senior players, Colonel Ken Ashby, was bestowed with the honor of being named on the All State second team.

Coaches Archie Manuel and Jim Casey

Coach Robert Harper

The Pee Wee's are a group of boys trained and coached by Mr. Robert Harper. These boys who are serious-minded football players were developed into a well-balanced and coordinated team. They began their training to develop the teamwork and coordination needed in their future varsity teams. They also developed in their sportsmanship and sense of fair play.

This year as in years before, our basketball team was one of which we may be proud. This year marked the beginning of regular league games with Hanley winning the first game, and James Wood winning the second. Even with four of the starting five graduating at the end of the year, Ronnie Kern, Wilson Braithwaite, Russell Luttrell, and Billy Pugh — next year's team looks very promising.

Under the skill and guidance of Coach Joel Starling the Privates have done reasonable well, considering, the rough schedule they had this season.

These ninth graders have shown that they will be an asset to future Varsity teams. While the team swept over many of their opponents with ease, they also showed they had the good sportsmanship it takes to accept defeat gracefully.

It is hoped that these boys will continue to play in the manner which has always contributed to James Wood's fine teams without sacrificing fair play.

Big Three Asks Meeting With Soviet Union

By LEWIS GULICK

WASHINGTON (AP) —Holding the Soviets responsible for tensions arising from the Berlin wall, the Western Big Three powers called on the Soviet Union today to join in a meeting to prevent further deterioration of the situation in Berlin.

The call for consultation among the big-power representatives—preferably to be held in Berlin—was issued by the United States, Britain and France in similarly worded notes handed to the Soviets in Moscow.

The diplomatic move was a follow-up to Thursday's stiffly worded public declaration by the three powers holding the Soviet Union still responsible under the partition Germany occupation agreements and proclaiming the West will not quit its Berlin rights.

Regular Army Seen In Better Shape

By ELTON C. FAY
AP Military Affairs Writer

WASHINGTON (AP)—Current prospects are remote that another call-up of National Guardsmen and Reservists might result from a new Berlin crisis short of a serious, shooting outbreak.

Army sources asked about this today, said the Regular Army is in far better shape to cope with requirements in Europe or elsewhere than it was a year ago.

The Regular Army, but five more understandably divisions than when the troops were called last year, thanks to the improvements designed to correct many of the shortcomings in the Army as it was then constituted. Some units, it is said, are now at full strength and combat ready.

Damage was estimated at [illegible] in the wake of a fire that leveled a barn early today about one-quarter mile north of Clearbrook.

Firemen said the barn was completely gone when they arrived. It was owned by the E. W. Grove estate and was in what is known as the O'Neill place.

Cause of the fire is unknown. The loss is partially covered by insurance.

The blaze got after midnight came in the wake of a roaring field fire near White Post yesterday that burned over an estimated 50 acres.

Boyce Fire Chief Leonard Lenhart called the fire "the most stubborn thing I've ever seen," and estimated the flames shot 20 feet in the air at times.

The alarm on the barn fire at Clearbrook was turned in at 12:02 a.m.

The barn contained machinery, 25 tons of hay and five tons of straw. The hay was mostly from last year and firemen initially tossed away from spontaneous combustion as the cause.

The estimate of damage was made by Gordon Arnet, who manages the farm. He estimated the damage as follows: Machinery, $1,500; Hay, $750; straw, $500; and the barn, $10,000. It was thought the figure might go higher.

Boyce firemen were called to the field fire about 3 p.m. and stayed at the scene until about 6 p.m. They were assisted by the John H. Enders Fire Co. of Berryville.

The voice with a smile

Today, as always, the C&P voice with a smile is as close as "Operator" on your dial. Intelligently, cheerfully, the "Operator" handles phone calls to faraway places and intricate day-to-day problems of telephone users. Her job is interesting, important, demanding and rewarding. She's an indispensable member of our C&P communications service team.
